

Absolute positioning debug

Debug outlines are enabled. The parent is relative; the PAID stamp uses top/right, the rule stretches with left/right, and the yellow panel contains a nested absolute badge.

Invoice #1042

PAID

Normal flow content stays in the stack. Absolute boxes are rendered after it.

Subtotal
\$128.00

Status
Settled

Stretched by left + right, no explicit width

Nested positioned box

This box also contains an absolute child.
